

PENINSULA INN

Your Dream Wedding

Your Dream Wedding starts at Peninsula Inn Resort and Hotel with your own private Room in the Hotels Superior Room or Ontario Room. Ceremony's can take place inside the Chapel or by the Gazebo in the Garden.

The Peninsula Inn is much more than just a beautiful place. We are full-service wedding planners who will arrange an effortless dream wedding on your special day.

Think about it. Most brides have to shop around to rent a church or hall, line up a wedding coordinator/director, find space in a minister's or judge's busy schedule, hire a photographer, get a caterer, order wedding cakes, secure musicians, hire a florist. Plus they have to arrange to set up and decorate the sanctuary and the reception hall and then, after everything is over, clean it all up. There is an alternative.

The Professional staff from Feastivities Events and Catering at the INN does it all. We take on most of the wedding stress and leave you to enjoy the day and everything that leads up to it. We take care of everything—whatever level of everything you would like—from ceremony to receptions. We bundle our services to make it easy on you and on us. As a result, we are able to provide beautiful weddings at reasonable prices. We think we know the best cakes, the best DJs, the best decorators, the best photographers, etc. We've been doing this for a long time and we know the people who consistently do a great job. And we've negotiated good deals with them—savings that can be passed on to you. Of course you can customize around our packages. If you have a special photographer that you would like to use, that's fine. If you have a certain decorator that you would like to use, we'll arrange it.

Each wedding has hundreds of important little details. We take pride in making sure that all of those details go just right. Our good reputation has been earned over time.

We specialize in small Intimate Weddings. We are prepared to do a beautiful wedding for you and your close family and friends in our indoor setting or beautiful tented reception. We handle the details from the ceremony to choosing the perfect menu to arranging accommodation for your guests; so that you and your family can thoroughly enjoy your special day. Niagara Falls most popular Wedding Ceremony choice for Brides and Grooms.
